As described below, SWANCC will have the right to extend the term of engagement to cover the periods May 1, 2023 to April 30, 2024 (FY2024) and May 1, 2024 to April 30, 2025 (FY2025), in addition to the right to extend the engagement for an additional three-year period beyond the initial three-year term.
- C. Audit Standards - The examination shall be made in accordance with auditing standards for government bodies generally accepted in the United States and the auditor shall express its opinion on the conformity of the financial statements with those standards. If an unqualified opinion cannot be expressed, the auditor shall bring such matter to the attention of SWANCC before issuance of the report to determine whether the problems leading to a qualification can be resolved.
- D. Report Preparation - The auditor shall prepare, type, and reproduce 30 copies of the Annual Financial Report (AFR). The AFR shall be prepared in accordance with generally accepted accounting principles as established by the governmental accounting standards

board. Said report shall be available for review and comment prior to finalization to the SWANCC staff on or before September of each audit year. The auditor shall also provide an electronic version of the AFR suitable for posting on SWANCC's website.

- G. Working Paper Retention and Access to Working Papers - All working papers and reports must be retained, at the auditor's expense, for a minimum of five (5) years unless the firm is notified in writing by SWANCC of the need to extend the retention period. The auditor will be required to make working papers available, upon request, to SWANCC. In addition, the firm shall respond to the reasonable inquiries of successor auditors and allow successor auditors to review working papers relating to matters of continuing accounting significance.
- H. Confidentiality - The Proposer agrees to keep the information related to SWANCC in strict confidence. Other than the reports submitted to SWANCC, the Proposer agrees not to publish, reproduce, or otherwise divulge such information in whole or in part, in any manner or form or authorize or permit others to do so.
- I. Governmental Accounting - While financial responsibility for the financial statements rests with the Agency, SWANCC expects that the auditor possesses and demonstrates sufficient expertise in governmental accounting and reporting to assure that all reporting requirements are met.

Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or person described in the Paragraph. The selected proposer shall similarly protect, indemnify and hold and save harmless SWANCC, its officers, officials, employees, volunteers and agents against and from any and all claims, costs, causes, actions and expenses including but not limited to legal fees (attorney's and paralegals' fees and court costs), incurred by reason of the selected proposer's breach of any of its obligations under, or the selected proposer's default of, and provision of the Contract. The indemnification obligations under this paragraph shall not be limited in any way by any limitation of the amount or type of damages, compensation, or benefits payable by or for the selected proposer or any subcontractor under Workers Compensation or Disability Benefit Acts or Employee Benefits Acts.

- F. Compliance - All work under this contract shall be executed in accordance with all applicable federal, state, and local laws and ordinances, rules, and regulations which may in any manner affect the performance of this contract.
- G. FOIA Compliance - The selected proposer agrees to maintain all records and documents for projects of SWANCC in compliance with the Freedom of Information Act, 5 ILCS 140/1 et seq.
