Metrics

How will the successes and challenges of this project be tracked, including qualitative and quantitative metrics? _____

SWANCC Waste Reduction Grant Agreement to Terms

Terms (Please check each box to agree with the terms below.)

Organization must be in a SWANCC member community.

Applications must be complete. Incomplete applications will not be considered.

Maximum reimbursement of funds provided by the SWANCC Waste Reduction Grant is \$500.

Purchased items must be preapproved by SWANCC under grant guidelines.

Organization must initially purchase the approved item(s). All receipts must be submitted together on SWANCC provided form. Reimbursement will take place after first reporting form has been submitted and education program is scheduled.

Reimbursement checks can only be made to the organization - not to individuals.

Project implementation must take place within the agreed timeline of the grant award, altered only with prior approval of SWANCC.

The organization agrees to discuss challenges, successes, and potential growth resulting from the project with SWANCC.

Grant recipients agree to provide 2 brief reports on project performance post implementation. SWANCC will provide a form for written and photographic documentation.

Based on availability of SWANCC staff, recipients agree to host a SWANCC education presentation within 3-months of project implementation. The presentation topic and format will be mutually agreed upon by SWANCC and the recipient.

Signatures

Signature of Grant Applicant: _____ Date: _____

Printed Name: _____ Title: _____

I support the grant coordinator's efforts and agree to SWANCC's Waste Reduction Grant Terms.

Supervisor Signature: _____ Date: _____
